MATERIAL SAFETY DATA SHEET

I. PRODUCT IDENTIFICATION

Trade Name:	Orange Pulp Cells	TCX Product Code:	TC04320
Chemical Family:	n/a	CAS Number:	n/a
Chemical Name:	n/a	FEMA/GRAS Number:	n/a
DOT Shipping Name:	n/a	Molecular weight:	n/a
DOT Hazard Class:	n/a	Molecular Formula:	n/a
DOT ID Number:	n/a	Harmonized Code:	n/a

II. COMPOSITION

<u>Name</u>	<u>Concentration (Range)</u>	<u>Threshold Limit Value (TLV)</u>
Orange Pulp Cells	100%	None.

Although no threshold limit value is established for this mixture by Federal Standards, a lowest achievable TLV is accomplished by means of sufficient ventilation.

III. PHYSICAL AND CHEMICAL DATA

Appearance: yellow to orange slurry	Odor: pleasant orange aroma
Solubility in Water: partially soluble	

IV. FIRE AND EXPLOSION HAZARD DATA

Hazardous Material Identifications System (HMIS):

Health : 0	Flammability : 0	Reactivity : 0	Protection: G
------------	------------------	----------------	---------------

Flash Point (closed cup):	n/a
Extinguishing Media:	n/a
Special fire fighting procedures:	n/a
Unusual fire and explosion hazards:	n/a

V. REACTIVITY DATA

Stability consideration :	Stable.
Condition to avoid :	None known.
Incompatibility:	None known.
Hazardous decomposition product:	None known.
Hazardous polymerization :	No

VI. HEALTH HAZARD DATA

Carcinogenic Data: Not listed in NTP, IARC or OSHA directories of Carcinogenic Materials.

Primary routes of Exposure: Skin contact, inhalation, and ingestion.

Effects of overexposures:

Acute: None.

Chronic: None.

Medical Conditions Aggravated by Exposure: None known.

Emergency first aids procedures:

Eyes: Flush with water for least 15 minutes. If irritation persists, contact a physician.

Skin: Wash with soap and water. If persists, see a physician.

VII. SAFETY MEASURES AND EQUIPMENT

Ventilation: None required.

Respiratory: None required.

Skin: None required.

Eyes: None required.

Restrictions: None required.

Handling and storage precautions: Store in full, sealed containers under frozen conditions. Use caution when handling drums, approx. weight 190kgs.

Other: Store drums and pails in frozen condition (<0 degrees Celsius).

VIII. SPILL OR LEAK PROCEDURES

Spill Control: Use mop to clean up small spills. Caution: Spills can be slippery on floors.

Disposal: Dispose in accordance with state, federal and local disposal laws.

XI. REGULATORY STATUS

There is nor regulatory information for this product.
